

QS Walking Buddies - Walk 74 - 24th October 2025

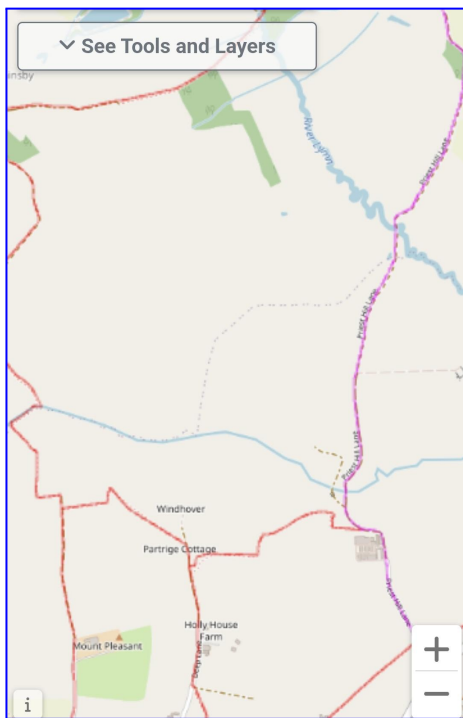

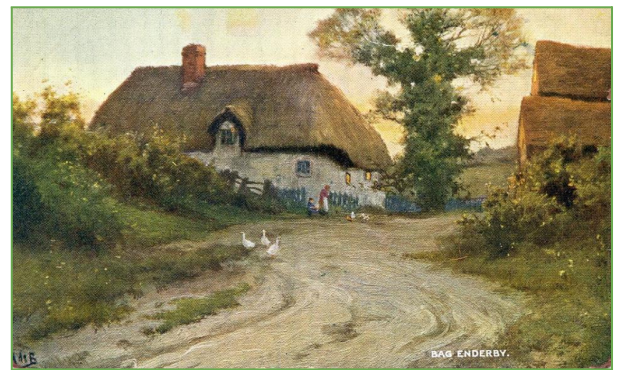

**Bag Enderby Church - Edge of Hagworthingham. Back to Bag Church for your picnic.
3.5 miles - level 3 (hilly) Led by Alison and Stewart, a familiar circular route**

Church of St Margaret, Bag Enderby

10am We return to this lovely area and will be starting and finishing at Bag Enderby Church. Popular area for the Buddies. Lots of parking. A welcoming church and we're always in good company!

We hope to be able to see if there's any progress with the restoration of the thatched cottage. It was shrouded in an opaque tent and mystery on our last walk around there. The Horncastle History and Heritage Society is involved. Below is a romantic painting of it, but it probably was like this.

We start this walk from Bag Enderby Church, continue toward Hagworthingham, where we can take the shorter route (we have a choice here) via Partridge Cottage (after Stainsby) to Priesthill Lane, which means we are circling back to Bag *before* reaching Hagworthingham.

Meet with our non-walking friends at about noon, in The Church of St Margaret, Bag Enderby.

Pulpit notice (19th Oct)
